SHOOT DAY:

The Shoot Day is 10 hours + 1 hour unpaid lunch, or a 9 hour Continuous Working Day (CWD).

The latest call time for a shoot day is 1100. If the call time is after 1100, the day is charged from 1100.

Overtime is charged in 30 minute increments.

RIG/PREP DAY:

Rig/Prep Days are 8 hours + 1 hour unpaid lunch.

The latest call time for a rig day is 1100. If the call time is after 1100, the day is still charged from 1100.

Overtime is charged in 30 minute increments.

There are no agreed terms for converting a rig day into a shoot day. If it is requested by production, terms must be agreed between the Gaffer and the Production. As the minimum shooting day is 10hrs, it is recommended to add 2hrs to the 8hr day, at your overtime rate,

SUNDAYS & BANK HOLIDAYS:

Sundays and Bank Holidays are paid at double time for all hours worked, subject to a minimum of 10 hours.

Overtime before midnight is charged at double time. Overtime after midnight is charged at triple time.

NIGHT SHOTS:

Night Shoots have a call time after 1700 and are paid at double time for all hours worked, subject to a minimum of 10 hours.

All overtime is chargeable at double time.
