

BECTU ASSISTANT DIRECTORS BRANCH

Welcome to the webpage for the Assistant Directors branch at BECTU.

Our branch is represented by a committee made up of working assistant directors from all levels, from runners to 1st ADs.

The committee meet regularly throughout the year to discuss and highlight the issues that face us as a department working in today's film, TV and commercials industry.

A new committee is voted in each year at the BECTU Assistant Directors branch AGM. The current committee includes:

Chair Will Jasper

Vice-Chair Jordan Kotras

Secretary Erin Morris-Large

MMP Negotiations Rep Illias Thoms

TV Drama Negotiations Reps Will Jasper, Erin Morris-Large

London Production Division Rep Jordan Kotras

National Health & Safety Committee Rep Jay Salomon

Women's Committee Rep Erin Morris-Large

LGBTQIA+ Committee Rep Emmy Brown

Junior Grades SDC Rep Natasha Khaleeq

We encourage all assistant directors to get involved with the Union as it is only through our collective action and voices that we are able to stand up for each other and our working conditions and rights.

BRANCH NEWS

After a long negotiation process in which the ADs were an instrumental part, the new 2023 TV Drama Agreement was accepted with almost 60% voting in favour.
