

SOLT and BECTU are carrying out a review of grading and skills in the West End. We would like you to take part in a focus group to tell us what makes you able to do your job. We want to identify the skills you have, and those you need, so that we can reflect this in your grade, and therefore your pay packet.

What we're doing and why: The Society of London Theatre (SOLT) and the Broadcasting, Entertainment, Cinematograph and Theatre Union (BECTU), the main trade union for non-performance staff in theatre, are working together to improve skills and career prospects in the West End. An on-going discussion and a lot of hard work is being invested in a new proposal to modernise grades, training and pay so that theatre people can enjoy a prosperous career supported by high level skills.

The focus groups: Will take place in the Viceroy Suite at the Radisson Edwardian Mountbatten Hotel off Seven Dials, Covent Garden, WC2 on the dates below. Lunch and refreshments will be provided. An out-of-pocket expense of £40 is payable. Non-BECTU members are welcome to take part.
